## Meeting Facilities

### Conference Center

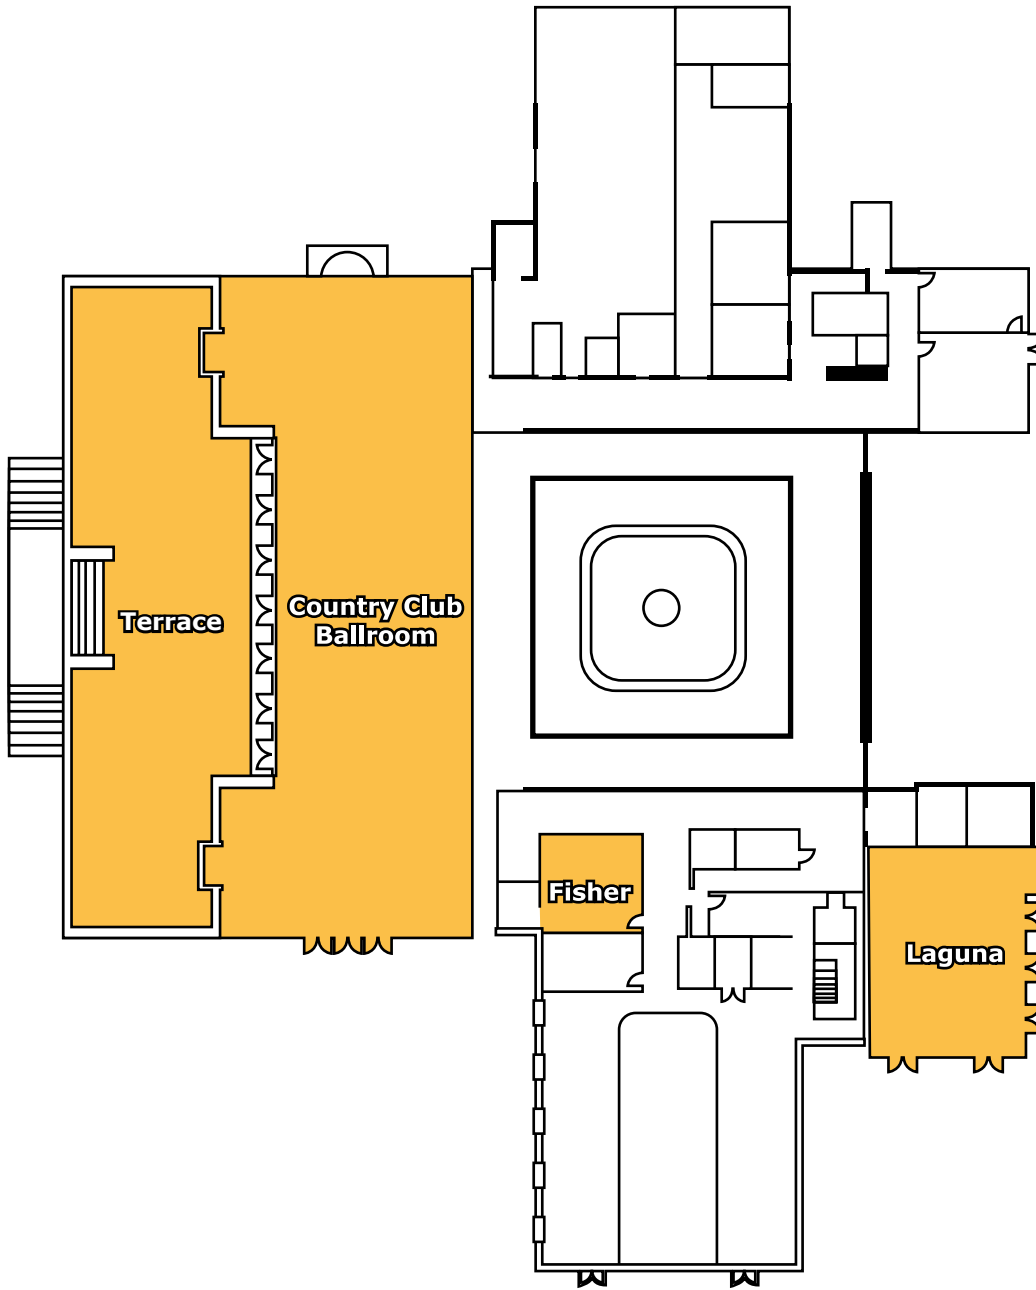

The Conference Center of the Americas is a world-class conference and education center featuring an array of technologically advanced facilities and amenities. The CCA enhances the Biltmore Hotel with 40,000 square feet of exceptional, technologically-supported function space that includes eight main meeting rooms, six breakout rooms, a 6,528 sq. ft. Ballroom, two, state-of-the-art amphitheaters, and a private executive boardroom.

The Biltmore's conference facilities offer the latest in advanced conference technologies, including Direct-In-Dial (DID) capability; soundproof simultaneous interpreters booths and simultaneous translation; wireless audience response devices; dual rear-screen projection in three major rooms; three-line ISDN videoconference ready; Internet connectivity between each room; Ethernet access for T1 broadband Internet in all rooms plus four-star standards of room service, control and comfort.
